From

F.P. Rennie, Esq., I.C.S.,
First Assistant to the Resident in Mysore.

To

The Dewan of Mysore.

Dated Bangalore, 9th March 1907.

Sir,

Adverting to Mr. McHutchin's letter No.293, dated the 11 December 1906, in which the Durbar enquire whether the Government India will now be able to provide the money required for carrying the British portion of the Nanjangud-Erode Railway Extension, I am directed to remind the Durbar of the informal conference held by t Railway Board at Bangalore in July 1906 at which the Resident and were present, when the question of the construction of the railway line in question was discussed.

2. The Railway Board pointed out on that occasion that the total cost of this line was estimated at 110 lakhs approximately a that, as the length of the line in British territory was greater than that in Mysore territory, the larger share of the expenditure would fall under the Imperial programme. Further, in order, if po sible, to accelerate the inclusion of the linein the railway programme, the question was raised as to whether the State could unde take to provide 75 lakhs, spread over three successive years, on t understanding that the Government of India agreed to the Durbar be ing allowed to contribute towards the cost of the portion outside Mysore territory.

3. Mr. Fraser will be glad to be favoured at an early date with the views of the Durbar in the matter of providing the funds r quired for the construction of the line in question within British territory.

I have the honor to be
Sir,
Your most obedient servant,

Sd/- F.P. Rennie,
First Assistant Resident.
